You have just accessed the hate experience  
Do you wish to change your entry?  
Very well, please enjoy your experience

I never thought that you would be the one  
After all the things that we've been through  
You gave your body to another in the name of fun  
I hope you had some, baby, if not, boo hoo

It's so sad but I hate you like a day without sunshine  
It's so bad but I hate you 'cuz you're all that's ever on  
my mind  
Honey, I hate you, now everyday would be a waste of  
time  
'Cuz I hate you

I never thought that I could feel this way  
To fall in love was a table reserved for fools  
Say you're sorry if you wanna but it's all in vain  
I'm out the door sweet baby, that's right, we're through

It's so sad but I hate you like a day without sunshine  
It's so bad but I hate you 'cuz you're all that's ever on  
my mind  
Honey, I hate you, now everyday would be a waste of  
time  
'Cuz I hate you

This court is now in session, would the defendant  
please rise?  
State your name for the court, never mind  
(Billy Jack bitch)  
You're being charged with one too many counts of  
heartbreaking  
In the 1st degree, I don't give a damn about the others  
My main concern is you and me

Your honor, may I call to the stand my one and only  
witness?  
A girl that know damn well, she didn't have no damn  
business  
I know what you did, how you did it and who you did it

with  
So you might as well take your time 'cuz you sure can't  
plead the 5th

Now raise your right hand, do you swear to tell the  
whole truth  
Not the half truth like you used to, so help you God?  
Nod your head one time if you hear me  
If you don't, I'll have to use the rod

Anything to make you see that you're gonna miss me  
Yeah, you're gonna miss me

If it please the court  
I'd like to have the defendant place her hands behind  
her back  
So I can tie her up tight and get into the act  
The act of showing her how good it used to be  
I want it to be so good she falls back in love with me

Close your eyes, I'm gonna cover your ass with this  
sheet  
And I want you to pump your hips like you used to  
And baby, you better stay on the beat

Did you do to your other man the same things that you  
did to me?  
Right now I hate you so much I wanna make love until  
you do see  
That it's killin' me, baby, to be without you  
'Cuz all I ever wanted to do was to be with you

I hate you  
(I hate you)  
Because I love you  
(Because I love you)

But I can't love you  
(I can't love you)  
Because I hate you  
(I hate you)

Because I love you  
I love you, baby  
I love you, I love you, I love you

I love you 'cuz you're all that's ever on my mind  
I hate you because I love you
