I could tell from the moment U walked in the room
That it wasnæŠ° your dress U had on
That wasnæŠ° your perfume
And what happened 2 the ring that I gave U?
What am I 2 assume?
I love U, but I just donæŠ° trust U anymore

U could tell from the moment U looked in my eyes
That I could see right through â– U must apologise
IæŠ°e always given U the best in life
Even in the wrong, it was right
I know U trust me, but U donæŠ° love me anymore
No

I remember meeting U here in the good olâ– days
I would never pick the flower of my favourite
protegâ– Maybe if I would have
Then U would not treat me this way
U tricked me - but U will not anymore

No, no
I love you, but I donæŠ° trust U anymore
