## "I No"

Visit "[I No](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Rain is wet and sugar is sweet  
Clap your hands and stomp your feet  
Everybody, everybody knows  
When Love calls, U gotta go

(I know) {repeat in BG}  
Welcome 2 the New Power Generation  
The reason why my voice is so clear  
Is there's no smack in my brain  
(This soul belongs to God)

Hundalasiliah!

I know there is a heaven, I know there is a hell  
Listen 2 me people, I got a story 2 tell  
I know there was confusion, lightnin' all around me  
That's when I called His name  
Don't U know He found me?

No! - is what Spooky Electric say, it's not OK (No!)  
But I know that Love is the only way till my dyin' day  
(No!)  
Till my dyin' day I'll be OK  
Cuz Lovesexy is the one till my day is done  
Hundalasiliah! (Yeah oh!)

I know there is a devil because he talks so loud  
He makes U do things your friends do (Do what your  
friends do)  
Hang out with the crowd  
But my Lord, He's so quiet when He calls your name  
When U hear it your heart will thunder  
U will wanna hear it every day  
No! (People) - is what Spooky Electric say (Tell me,  
what'd he say?) (No!)  
But don't U know that I know Love is the only way till my  
dyin' day (No!)  
Till my dyin' day I'll be OK  
Cuz Lovesexy is the one till my day is done  
Hundalasiliah!

Alright y'all, everybody in the house (Serve it up,

Frankie)  
Here's what I want U 2 do (Ooh child!)  
Raise your hand up straight in the air  
Swing it 2 the right, savoir-faire  
Up on the 2, swing on the 4  
Everybody on the dance floor

(Shout - "Ho!") {repeat}  
Sho'nuff  
Y'all ain't got it, U're dead!  
Go ahead {x4}  
(Frankie, play!)

Raise your hand up straight in the air (I know)

(Put your hand up) {x2}  
Alright y'all, come on, uh  
Yeah

(Say no) (No!)  
If U can't find your way, everybody say (Say no) (No!)  
If U're afraid, everybody ain't got it made  
(If U're lookin 4 the crown, come on y'all) (Say no) (No!)  
If U want a drug other than the God above (Say it) (No!)  
If U need a drink every single day (Sing it)  
Then blow that devil away!

(Say yes) (Yes!)  
If U want this feeling called love  
(Oh yeah, come on, y'all) (Say it) (Yes!)  
If U want it now raise your hand 2 the man above  
(Y'all 2, I gotta say it) (Yes!)  
Up on the 2, swing right on the 4  
(It's alright, it's alright) (Yes!)  
We want everybody 2 open this door! (Come on)

Yeah!

If U don't wanna live life under the gun (I know)  
We know a better way 2 have some fun (I know)  
I know there is a heaven and a hell  
I know there is a heaven and a hell  
Yeah, yeah, yeah!  
Tell U what (Give it up, yeah!)  
Man, are we on the guest list? (Guest list? What guest list?)  
We on the guest list, right?

I don't see no 5 dollars U owe me  
(Can't wait till I get my own, how 'bout U?)  
OK (I got those 2 right here)

(Yo later, I'm goin back 2 the place)  
They are back!  
I'm gonna go 2 the bar (I'm goin' home)  
I'm gonna have one of those sandwiches (Yes)

I can't take 'em 2 the club 2 date us

Sleep sandwich  
That's right

I can't take but so much

The meat between 3 sheets

I know it was her

That's right

That's what I'm talkin' about

A peanut-butter sandwich

Her and her girlfriend  
The one that was standin' right next 2 my woman (D)  
Standin right next 2 my woman

Let us praise God with the fruit of the vine (E)

My name's Andre Crabtree III (Ooh-wee! Did U see  
that?)

Our innocent symbol of glory

I've got more holes than a golf course (That don't mean  
shit) (Taxi)

And thank Him 4 your blessings of the past week  
(I got a white / blue car and?Â)  
(Where's the car, dude?) (And a red)  
(I said who parked the car?) (No!)  
4 life and 4 Prince... (Funk it!)
