

Prince "I Wish U Heaven"

Doubts of our conviction, follow where we go
And when the world's compassion ceases, still I know
For your every touch I thank you so much
For your every kiss I

I wish u love
I wish u heaven
I wish u heaven

If I see eleven, you can say it's seven
Still I wish u heaven

I wish u love
I wish u heaven
I wish u heaven

La la la la la, do do do do do
La la la la la, do do do do do
La la la la la

I wish u heaven
I wish u heaven

I, I, I, I, I wish u heaven
I wish u heaven

I wish u heaven
I wish u heaven

I wish u heaven
I wish u heaven
I wish u heaven
