"Ice Cream Castles"

We are young, we are free on earth 2gether
Let's fall in love
U are fine, U are white, I am of color
Let's fall in love

Ice cream castles in the summertime
Ice cream castles in the summer

I want U, U want me, we want each other
Is that so wrong?
It's raining, mad sisters, why can't they realize
That it won't be long?

We're all ice cream castles in the summertime
Ice cream castles in the summer

Let's do something soon (Let's do something {repeat})

We are young, we are free, let's come 2gether
Before the end
I am blue, U are 2, what could be better?
Let's make friends

We're all ice cream castles in the summertime
Ice cream castles in the summertime
We're all ice cream castles in the summer
Ice cream castles when we fall
Ice cream castles in the summertime
Summertime {x3}

Is that what U need?

White girls
Black girls
Orientals
Jamaican, huh

Ice cream castles in the summertime (Orientals)
We're all ice cream castles in the summer
Ice cream castles when we fall
Ice cream castles in the summertime

Summertime

White girls, uh
Black girls, huh
Orientals (I want U)
Jamaican (U want me, we want each other)

(White girls) (Black girls)
We are young
We are free on earth 2gether

Let's do something, let's do something soon {x8}

We are young
We are free, let's come 2gether

(Let's funk
