If Eye was the man in your life  
Eye'd make you happy  
Eye'd treat you right  
Eye'd buy you flowers, every single day  
Eye'd give you power  
Eye'd do whatever you say

Eye heard a rumor that your man, he said he'd do you  
wrong  
And you're so vain, you'd think that you're the one  
behind this song  
Sure you know he got plenty lyrics, yeah, up his sleeve  
And after he got what he want, he just go up and leave

And Sunday chocolate on the roof right after his game  
He like the Lakers but the Sixers on when he came  
If he's with another now, you best believe the party's  
crackin'  
You're getting played girl, you better get your mack on

And do onto others, as they do onto you  
You call me on the day, that you and him are just to  
through

If Eye was the man in your life  
Eye'd make you happy  
Eye'd treat you right  
Eye'd buy you flowers, every single day  
Eye'd give you power  
Eye'd do whatever you say

Was it you that Eye saw outside the liquor store  
Waiting on that fool, to purchase what you'd been  
dying for?  
And before Eye see you drop a spill, Eye have to bring  
you down  
Now you got that chocolate barracuda hangin' round

Hangin' round your neck like a cheap gold chain  
He don't deserve to say, that he ever knew your name  
Much less he get to smell, the perfume Eye gave you  
Please, don't tell me that you all got down

Better do onto others as they do onto you  
You call me on the day, that you and him are just to  
through

If Eye was the man in your life  
Eye'd make you happy  
Eye'd treat you right  
Eye'd buy you flowers, every single day  
Eye'd give you power  
Eye'd do whatever you say
