Funny that you should call
I was just sittin' by the telephone
Lookin' for a remedy for all my misery
I'm sorry for what I said
It's just that I didn't think our first date should be in bed

Ooh, I wanna let you be the one
But you oughta know I'm lookin' for a boy
That'll want me for more than one night of fun

If I love U 2night
Promise me that you'll stay with me 'til the morning
light
(Baby, can you stay until the morning light?)

Talk to me, tell me a story
Just tell me you'll hold me tight
(Hold me)
If I love U 2night

I want you, this is true
When you looked at me, I knew
This ain't no matter of pride
(No, no)
It's just that when tomorrow comes
I want you here by my side

If I love U 2night
Promise me that you'll stay with me 'til the morning
light
(Baby, can you stay until the morning light?)

Talk to me, tell me a story
Just tell me you'll hold me tight
(Hold me)
If I love U 2night

I'm lookin' for a boy, he don't have to be pure
(I am looking for a boy)
He just gotta be sho 'nuff secure
(Sho 'nuff secure)

If you want a lover, I'm the remedy
(I am the remedy, the remedy)
But boy, you gotta tell me what you gonna do for me
(What you gonna do, what you gonna do for me?)

If I love U 2night
Promise me that you'll stay with me 'til the morning
light
(Say that you'll stay until the morning light)

Talk to me, tell me a story
Just tell me you'll hold me tight
(Hold me, hold me)

I'll make you breakfast, I'll drive you 2 work, boy
I'll treat you right
Promise me that you'll stay with me 'til the morning
light
If I love U 2night
(If I love U 2night)

Oh yeah, baby
I wanna give you my love
But you gotta promise me
(If I love U 2night)
That you'll love me forever

Uh, yeah, baby
(If I love U 2night)
Uh, just like that, yeah
Ah, yeah, right there
