"If The Kid Can't Make You Come"

Visit "[If The Kid Can't Make You Come](#)" on MotoLyrics.com

U like my crib, baby?
Well, come a little closer
Don't be shy

Darlin', I want U so bad
I can almost taste the smell of your skin
And honey, I'd be so sad
If U didn't break down and let me in
U better let me in, baby

(If the kid can't make U come - nobody) {x4 in BG}
Don't U know if the Kid can't make U come, nobody can
If the Kid can't make U come, no, nobody can
No, nobody can
No, no, nobody can

Am I gettin' through, baby?

Sweetheart, I can be gentle as a lamb
If that's what gets U off
I wanna get U off, baby
And lover, straddle my brass
And we'll dance in the land of the hard and soft
I don't care, baby, whatever gets U off

(If the kid can't make U come - nobody) {x4 in BG}
Cuz if the Kid can't make U come, nobody can
If the Kid can't make U come, ain't nobody gonna make
it happen
No, nobody can
Nobody

Need I say more, baby?
Do U wanna straddle my brass? Mmm

(Nobody, nobody)
(If the Kid can't make U come - nobody)
{repeat phrase or part of phrase till end}

That's a pretty blouse
Thank U

Take it off
Is that better?
A little bit, I'd rather see it live in concert though
Well, I'll tell U what, cutie, I'll let U take that off
Oh yes!
This little hook went 2 Holland
This little hook went 2 France
This little hook went 2 London
And this little hook went 2...
Oh Lord!
Honey, don't U ever try and breastfeed no baby
Why not?
Never mind
What time is it?
Titty time
I know that's right

What's my name?
Morris
Now come now, baby, what's my real name?
Talk 2 me, talk 2 me
M.. Mo.. Mor.. Morris!
Yes!
Oh baby, U're just 2 sexy

Morris?
Yeah baby
What's my name?
It's baby, ain't it?
Oh Morris, what's my...
Ah ga ga ga ga!
Morris!
2 sexy!

I bet U never thought I'd be this good, did U?

(Baby) (Dance)

Let... let me hear the pledge of allegiance, baby
What do U mean?
U know, like U used 2 do in school (Won't cha?)
U got 2 be kidding
I guess U're not
Come on, baby, Morris is listening
OK
I pledge allegiance
2 the flag of the United States of America
And 2 the republic 4 which it stands
Oh Lord!
U're just 2 sexy
Ain't nobody bad like me
