Lana drew a picture in school 2day
One that made her mother cry
A picture of a woman with a drink in her hand

Standing by a child with no eyes
Washington reaction based upon revenge
Babies blown 2 kingdom come

Damn the logic
Cartoon characters look better when they're on the run
Danny dropped the dime on his girlfriend

He said he didn't wanna go 2 jail alone
The seed lives in the same mind

With the thought that says we all should be stoned
And people lookin' 4 angels in the sky

Whenever they're broken-hearted
Love is grown, seeds are sown
A fire don't burn unless it's started
Did U ever feel that life was like lookin' 4 a penny
In a large room with no light?
A sophisticated man reduced 2 company in no-win
situations
That aren't right
Everytime U wake up there's a little motherfucker
Talkin' big stuff in your face (Are U happy?)
U only get the kind of people that open their mouth
just 2 swap feet
Welcome 2 the rat race
Did U ever feel that life was like lookin' 4 a penny
In a large room with no light?
A sophisticated man reduced 2 company in no-win
situations
That aren't right

Oh, if U could just pass your history class
Maybe life would be alright
Until then U'll be lookin' 4 a penny

In a large room with no light

Yeah!
Life [repeat 2 fade]
