Por qu   est  is sentado tan lejos? {English translation below}
Ven ac  i, no te voy a morder
Mi hijo, que no tienes calor?
Ven ac  i
Qu  tate eso
A, ves ... te sientes mejor, no?
Bueno, de qu    hablamos?
A, est  is solo?
Por qu    hablamos de cosas tan tristes?
Yo nunca estoy sola
Bueno, a veces
No, est  i bien
Por favor, coge mi mano ... mm
Bueno, yo s    que un d  a el hombre de mis sue  os
va a venir por m  
Y as   ser  i
A s  , s    cocinar muy sabroso
Qu   ? Casarme contigo?
Ni s    c  mo te llamas
A ver, dime c  mo te llamas?
Oliver?
Un nombre muy bonito
Me gusta
Dame un beso, Oliver
S  , est  i bien
En mis labios
En donde m  is
Bueno, adi  s Oliver
Fue un placer de haberte conocido
Adi  s

{ Why are U sitting so far away?
Come here, I'm not going 2 bite U
Ha ha, honey, aren't U warm?
Come here
Take that off!
Ah, see, U feel better, no?
Well, what should we talk about?
Ah, are U lonely?
Why are we talking about such sad things?

I'm never lonely
Well, sometimes
No, it's OK
Please, take my hand ... mm
Well, I know that one day the man of my dreams will
come 4 me
That's how it will be
Ah yes, I know how 2 cook real deliciously!
What? Marry U?
I don't even know your name
Let's ee, tell me what is your name?
Oliver?
Huh, mm, a very pretty name!
I like it
Give me a kiss, Oliver
Yes, it's OK
On my lips
Where else? Mm ah
Well, goodbye Oliver
It was a pleasure meeting U
Goodbye
