2 these walls I talk
Tellin' 'em what I wasn't strong enough 2 say
2 these walls I talk
Tellin' 'em how I cried the day u went away
How do we ever lose communication?
How do we ever lose each other's sound?
Baby, if u wanna, we can fix the situation
Maybe we can stop the rain from coming down

Yeah

In this bed I scream
Lonely nights I lay awake thinking of u
And if I'm cursed with a dream
A thousand times I feel whatever I've put u through

Tell me, how're we gonna put this back 2gether?
How're we gonna think with the same mind?
Knowing all along that life is so much better
Living and loving 2gether all the time

Living and loving

In this bed i, in this bed i, in this bed I scream

In this car I drive
I'm looking 4 the road that leads back 2 the soul we
shared
With my very life
I'd gladly be the body upon the cross we bear (cross we
bear)

How do we ever lose communication? (how did we?)
How do we ever lose each other's sound? (I don't know)
Baby, if u wanna, we can fix the situation
Maybe we can stop the rain from coming down

Maybe we can't, maybe we can
Stop the rain, stop the rain

In this bed i, in this bed i, in this bed I scream
I scream

In this bed I scream
