May I have this dance?

Darlin', it appears 2 me  
That U could use a date 2night  
A body that'll do U right  
Tell me, am I qualified?

(Listen)

Baby, I know it's hard 2 believe  
But this body here is free 2night, ooh oh  
Your very own first class flight  
My plane's parked right outside, baby  
Don't U wanna go 4 a ride?

I'm an international lover  
Yeah, that's right  
Let me take U 'round the world  
I'll buy U diamonds and pearls  
Only if U're good girl, yeah

Darlin', I know it's been a long time  
Since U've been satisfied  
I can tell by the look in your eyes  
U need it real real bad (real bad)  
U need it so bad, so bad (real bad)

Baby, maybe if U're good, girl  
I'll introduce U 2 my ride, ooh  
Don't U wanna come inside?  
Come on, baby, I won't fly 2 fast  
I've got so much class (Yeah, yeah, yeah!)

(International lover)  
That's right, baby  
Let me take U 'round the world, yeah, yeah  
(I'll buy U diamonds and pearls)  
I will buy U diamonds and pearls, baby  
(Only if U're good, girl)  
Gotta be good, U gotta be good  
Yeah, yeah, please!

Good evening

This is your pilot Prince speaking  
U are flying aboard the Seduction 747, mmm  
And this plane is fully equipped with anything your  
body desires

If 4 any reason there's a loss in cabin pressure  
I will automatically drop down 2 apply more  
And 2 activate the flow of excitement  
Extinguish all clothing materials and pull my body close  
2 yours  
Place my lips over your mouth, and kiss, kiss, normally

In the event there is over excitement  
Your seat cushion may be used as a flotation device

La, la, la {x5}

We ask that U please observe the "No Letting Go" sign  
I anticipate a few turbulence along the way

We are now making our final approach 2 Satisfaction  
Please bring your lips, your arms, your hips  
Into the upped and locked position  
4 landing  
Can U feel it? Can U feel it?  
Ooh! Ow! Yeah!

Let me take U 'round the world  
Girl, let it all hang out

Yeah, yeah, yes, yeah, yeah, yes, uh

Welcome 2 Satisfaction  
Please remain awake until the aircraft has come 2 a  
complete stop  
Thank U 4 flying Prince International  
Remember, the next time U fly
