[Chorus:]

It takes 3, U and me  
And her 2 - tell me pretty baby what U wanna do

I've seen the future, baby, and it looks like U and I  
All wrapped up in love that'll never die  
Maybe I just want another 2 keep U happy while I'm  
away  
A friend as special as U should never be lonely, a  
single day

It takes 3  
If U ain't got a friend U can't be with me (Hey)  
It takes 3

Nothin' I want 2 do will make U uncomfortable, I swear  
Wherever my hands go, baby, it'll be cuz U put 'em  
there  
I could be satisfied with talking about all we could do  
But I'm wise enough 2 know that's the only way 2 get  
wit' U  
And her 2

[Chorus]

It takes 3  
If U ain't got a friend U can't be with me  
It takes 3

Check this out  
U know my every thought if U think about it long  
enough  
Don't ask me why, nothing's lost if U try  
But 2 not, is 2 never know if U and me and her could  
flow  
Let's go, let's go 2 the land of "Yes I will"  
G'on put your foot up on that window sill

It takes 3  
If U ain't got a friend U can't be with me (Hey)

[Chorus]

Hell yeah, baby  
Shake all that

[Chorus]

Girl, U got something the whole world should see  
I'm so proud of U  
If I can't get a witness who'll believe it's true (It takes 3)  
Nobody, that's why it takes 3  
If U ain't got a friend U can't see me (It takes 3)  
U can't see me

(It takes 3)  
Fellows g'on and sing that I'm jettin'  
(If U ain't got a friend U can't be with me)

Don't forget your rain coat
