If U're looking 4 somewhere 2 go
Girl, I'll take U 2 a movie show
We can sit in the back and I'll jack U off

I can't give U everything U want
But I can take U 2 a restaurant
And if U're not hungry, I'll jack U off

If your man ain't no good
Come on over 2 my neighborhood
We can jump in the sack and I'll jack U off

If U're tired of the masturbator
Little girl, we can go on a date, uh
And if U like, I'll jack U off

CHORUS:
I'll jack U off, jack U off
I'll jack U off, jack U off
I'll jack U off

I only do it 4 a worthy cause
Virginity or menopause
U'll have an instant heart attack if I jack U off

If U really really wanna be a star
We gotta do it in your mama's car
Naked in a Cadillac, I'll jack U off

If we can't find no place 2 go
Girl, I'll take U 2 a movie show
We can sit in the back and I'll jack U off

CHORUS

Yeah!
Yeah, yeah, I'll jack U off
Alright, say it
Get some, want some [head]
I'll jack U off

If U ain't a chicken, baby, come here

If U're good, I'll even let U steer
As a matter of fact, U can jack me off

Yeah (That's right)
I'll jack U off, hey
Yeah!
(Sometimes)
I'll jack U off!

Yeah, yeah, yeah...!
