Ooh, this is the joint I've been layin' for all night
This is the one that really gets me gone
The DJ's on point, I'm sayin' he's alright
We gonna fun baby, baby, it's on

Gotta new Puerto Rican score
And she doin' it on the floor
When the groove, rubber baby's hot
I'm givin' it all I got

Ooh, everybody's here
This is the jam of the year
Ooh, everybody's here
This is the jam of the year

Gimme a drummer and a funky bass line
That's all I need and I'm ready to flow
Been chillin' in the cut and now I'm comin' to get mine
And if I hit you once, I got to hit you some more

Gotta new Puerto Rican score
And she doin' it on the floor
(Doin' it on the floor)
When the groove, rubber baby's hot
I'm givin' it all I got

Ooh, everybody's here
This is the jam of the year
Ooh, everybody's here
This is the jam of the year

(Everybody's here)
Yeah, ooh
Ooh

Let's make a toast to the host with the most, heh
Raise your glass if you're on your own, yeah
(Raise your glass if you're on your own)
All the girls say, "Ho"
(Ho)

If your man's givin' up the gold

All the fellas say, "Woof"
If you're only givin' up the bone
Tonight we're gonna hide it

(Whatcha say, baby?)
Yeah, baby
(Whatcha say, baby?)

This is the joint I've been layin' for all night
This is the one that really gets me gone
(This is the one, this is the one)
The DJ's on point, I'm sayin', he's alright
We gonna fun baby, baby, it's on

Gotta new Puerto Rican score
And she's doin' it on the floor
When the groove, rubber baby's hot
I'm givin' it all I got
I'm givin' it, I'm givin' it, I'm givin' it all I got

Ooh, everybody's here
This is the jam of the year
Ooh, everybody's here
This is the jam of the year

(Everybody's here)
(This is the jam of the year)
Did you come to jam, baby?
(Oh yeah)
Then let me see ya, come on

Ooh, everybody's here
This is the jam of the year
Ooh, everybody's here
This is the jam of the year

Ooh, everybody's here
This is the jam of the year
Ooh, everybody's here
This is the jam of the year

Ooh, everybody's here
This is the jam of the year
Ooh, everybody's here
This is the jam of the year

Yeah, baby
(I wanna, I wanna jam)
Come on
(Everybody's here)
(J-jam, j-jam, j-jam, j-jam of the year)

Say, what? Ha, ha
I like that beat, oh baby
I wanna, I wanna
I wanna, I wanna
I wanna, I wanna
Everybody

Ooh, everybody's here
This is the jam of the year
Ooh, everybody's here
This is the jam of the year

(Everybody's here)
(This is the jam of the year)
(Everybody's here)
Ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh
This is the jam of the year

Ooh, everybody's here
(Everybody)
This is the jam of the year
(This is the jam of the year)
