U can live your own life and I'll live mine I will never try 2  
keep U down Even if I only see U some of the time I'm  
just happy when U come around Even if the sun don't  
shine I'm warm enough when U're in these arms of  
mine

CHORUS: Just as long as we're 2gether Everything's  
alright (Everything's alright) Everything's alright  
(Everything's alright)

There is nothin' that will overcome the love we  
share Nothin' that will break us apart Girl, I got 2 always  
have U in my hair Gotta always have U in my heart Ooh  
baby, your place or mine I'll get the music baby, U bring  
the wine

Just as long as we're 2gether Oh girl, there ain't nothin'  
better (Just as long as we're 2gether)

CHORUS

Just as long as there is U I'll be around doing what U  
want me 2 Just as long as there is me I'll be around  
singin' your melody, sugar

Just as long as we're 2gether (Everything's alright) Oh  
baby, everything's alright Just as long as we're 2gether  
(Everything's alright) Oh girl, everything's alright Just as  
long as we're 2gether (Everything's alright) Oh girl,  
everything's alright Don't U know there ain't nothin'  
better (Everything's alright) I really want U baby in my  
life, U know
