You can live your own life and I'll live mine  
I will never try to keep you down  
And even if I only see you some of the time  
I'm just happy when you come around  
And even if the sun don't shine  
I'm warm enough when you're in these arms of mine

Just as long as we're together  
Everything's alright (everything's alright)  
Everything's alright (everything's alright)

There is nothing that will overcome the love we share,  
Nothing that will break us apart  
Girl I gotta always have you in my ear,  
Gotta always have you in my heart  
Ooo baby, your place or mine?  
I'll get the music, baby, you bring the wine

Just as long as we're together... (just as long as we're together)  
Ooo girl, there's nothin' better (just as long as we're together)  
Just as long as we're together  
Everything's alright (everything's alright)  
Everything's alright (everything's alright)

Just as long as there is you  
I'll be around doin' what you what me to  
Just as long as there is me  
I'll be around to sing that melody, sugar  
Just as long as we're together... (everything's alright)  
Ooo baby, everything's alright  
Just as long as we're together... (everything's alright)  
Ooo girl, everything's alright  
Just as long as we're together... (everything's alright)  
Ooo girl, everything's alright!  
Don't U [...] know there ain't better (everything's alright)  
Ooh [hunt//hurt] u baby, in the night
