Hey girl, I bet you didn't know I had both eyes on you  
It's true  
And you know what? I seen all those other guys too  
Baby, frankly, I don't give a damn  
Many guys have come to you  
With a line that wasn't true  
And you'd pass 'em by (Pass them by)  
Though you're in the center ring  
And their lines don't mean a thing  
Why don't you let me try? (Let me try)

Now I don't wear a diamond ring  
I don't even know a song to sing  
All I know is...

La, la, la, la, la, la, la, la, la means I love you, oh baby  
La, la, la, la, la, la, la, la, la means I love you

If I ever saw a girl  
That I needed in this world  
You are the one for me  
Let me hold you in my arms  
Gonna fill you with my charms  
I'm sure that you will see (you will see)

The things I am sayin' are true  
And the way I wanna explain them to you  
Baby, can you listen to me?

La, la, la, la, la, la, la, la, la means I love you, oh baby  
La, la, la, la, la, la, la, la, la means I love you, yeah

So there, the book is open  
What you wanna do?  
Can you do-o-o me, baby, like I wanna do you?  
Come here, let me hold you in my arms  
Let me fill you with my charms

The things I am sayin' are true  
And the way I explain them to you  
Yes, to you!

(La, la, la, la, la, la, la, la, la means I love you) {repeat  
in BG }

(La, la, la, la, la (means) I love U) I love you, I really,  
really love you

Ooh listen to me, baby

Ooh, I love you, I love ya, love ya

Ooh, take my hand, girl

You gotta understand

I wanna be, I wanna be, I wanna be your man

You know where to find me when you make up that  
mind

La, la, la, la, la, la, la, la, la means I love you, yeah
