Dearly beloved
We are gathered here 2day 2 get through this thing
called life
Electric word life, it means 4ever and that's a mighty
long time
But I'm here 2 tell U there's somethin' else
The afterworld
A world of never ending happiness
U can always see the sun, day or night
So when U call up that shrink in Beverly Hills
U know the one - Dr. Everything 'll Be Alright
Instead of asking him how much of your time is left
Ask him how much of your mind, baby
Cuz in this life things are much harder than in the
afterworld
In this life U're on your own
And if de-elevator tries 2 bring U down, go crazy
Punch a higher floor!
If U don't like the world U're living in
Take a look around U, at least U got friends
U see, I called my old lady 4 a friendly word
She just picked up the phone, dropped it on the floor
"Ahh! Ahh!" was all I heard

CHORUS:

Are we gonna let de-elevator bring us down?
Oh no, let's go!
Let's go crazy, let's get nuts
Let's look 4 the purple banana till they put us in the
truck
Let's go!

We're all excited, but we don't know why
Maybe it's cuz we're all gonna die
And when we do, what's it all 4?
U better live now before the grim reaper
Come knockin' on your door
Tell me...

CHORUS

Come on, baby
Let's get nuts!
Yeah (Crazy)
Let's go crazy

Are we gonna let de-elevator bring us down?
Oh no, let's go crazy! (Go crazy!)
I said let's go crazy! (Crazy, crazy!)
Let's go, let's go!

Ahhh!

Crazy

Dearly beloved
We are gathered here 2day 2 get through this thing
called life
Electric word life, it means 4ever and that's a mighty
long time
But I'm here 2 tell U there's somethin' else
[Did that hurt U?] {x2}
The afterworld
(That's right)

Let's go crazy, people!
Let's get nuts!
I said let's go crazy!
Let's go, let's go!

(Crazy)

Let's go crazy
Let's get nuts
Let's go crazy
Let's get nuts
Let's go crazy
Let's get nuts
Let's go crazy {x3}
Ahhhh!

Are we gonna let de-elevator bring us down?
Oh no, let's go crazy! (Go crazy!)
I said let's go crazy! (Go crazy!)
Let's go! (Let's go!)
Go! (Let's go!)

Dr. Everything'll Be Alright will make everything go
wrong
Pills and thrills and daffodils will kill
Hang tough children

He's coming!
He's coming!
Coming!

Take me away
