Let's work
Let's work

I've had my eyes on you
Ever since you walked in the room
C'mon and take my hand
Don't try to understand

Oh baby nothing can stop us now, I'm gonna show you
how
Show you how to work
C'mon let's have some fun, we'll work till morning
comes
Lemme see ya work, c'mon

I'd love to turn you on
I'd work you all night long
If I could get you in the raw
I'd make you climb the walls

Oh yeah nothing can stop us now, I'm gonna show you
how
Show you how to work
C'mon let's have some fun, we'll work till morning
comes
Yeah, yeah, lemme see ya work, c'mon

Let's work
Let's work

Work alright we're gonna work all night
Everybody work that's right, everybody everybody
Work alright we're gonna work all night
Everybody work that's right, everybody everybody
Work

Nothing can stop us now, I'm gonna show you how
(Let's work)
I'm gonna show you how
Oh babe c'mon let's have some fun
(Work)
We'll work till morning comes

(Let's work)
We'll work till the morning comes

(Let's work)
Nothing can stop us now
(Nothing gonna stop us)
(Let's work)
I'm gonna show you how
(Work)
C'mon let's have some fun
(Let's work)
We'll work till morning comes

Everybody say
(Work)
We're gonna work all night
Everybody that's right everybody everybody
(Let's work)
(Let's work)
