I guess I should've known by the way U parked your car
sideways
That it wouldn't last
See, U're the kinda person that believes in makin' out
once
Love 'em and leave 'em fast
I guess I must be dumb cuz U had a pocket full of
horses
Trojan and some of them used
But it was Saturday night, I guess that makes it all right
And U say - "What have I got 2 lose?"

And honey, I say Little Red Corvette
Baby, U're much 2 fast (Oh)
Little Red Corvette
U need a love that's gonna last

I guess I should've closed my eyes when U drove me 2
the place
Where your horses run free
Cuz I felt a little ill when I saw all the pictures
Of the jockeys that were there before me
Believe it or not, I started 2 worry
I wondered if I had enough class
But it was Saturday night, I guess that makes it all right
And U say - "Baby, have U got enough gas?"
Oh yeah!

Little Red Corvette
Baby, U're much 2 fast (Yes U are)
Little Red Corvette
U need 2 find a love that's gonna last (Oh, oh)

Little Red Corvette {x2}

A body like yours oughta be in jail
Cuz it's on the verge of bein' obscene
Move over, baby, gimme the keys
I'm gonna try 2 tame your little red love machine

Little Red Corvette

Baby, U're much 2 fast
Little Red Corvette
Need 2 find a love that's gonna last, hey hey

Little Red Corvette
Honey, U got 2 slow down (Got 2 slow down)
Little Red Corvette
Cuz if U don't, U're gonna run your little red corvette
right in the ground
(Little Red Corvette)
Right down 2 the ground (Honey, U got 2 slow down)
U, U, U got 2 slow down
(Little Red Corvette)
U're movin' much 2 fast, 2 fast
Need 2 find a love that's gonna last!

Girl, U got an ass like I never seen, ow!
And the ride...
I say the ride is so smooth, U must be a limousine

Ow!
Baby, U're much 2 fast
Little Red Corvette
U need a love, U need a love that's, uh, that's gonna
last
(Little Red Corvette)
Babe, U got 2 slow down (U got 2 slow down)
Little Red Corvette
Cuz if U don't, cuz if U don't
U're gonna run your body right into the ground (Right
into the ground)
Right into the ground (Right into the ground)
Right into the ground (Right into the ground)
Little Red Corvette, oh

Yeah!

There are some things U do 2 me
That leave me in a velvet sweat
Darling, there are some things that I want 2 do 2 U
So U'll never forget!

Mayday
