"Love Like Jazz"

Hey baby what's ur name?
Do you wanna play a game?
Play it like we don't know when
We'll ever get 2 play again
Xperimental and so brand new
The things eye wanna do with you
Like a physical kind of blue
Come on baby let's get 2 it

Eye want a lover that can improvise
Eye want a lover that can make me cry

Baby eye don't care what you learned in lovemaking
school
U and me we 'bout 2 jam
Make love like the first woman and man
Eye don't wanna know ahead of time
The notes you play should b a
Reaction 2 mine
Nothing planned or contrived
Then both of us will arrive
At r destination

Eye wanna feel like eye've been hypnotized
If you think you can then let's go 4 a ride

Love like jazz... love like jazz... love like jazz
