All aboard!

On my way 2 nowhere lookin' 4 nothin', baby  
I was blue  
I saw U sittin' lonely, thought I was the only, baby  
U were 2  
Funny when our eyes met, the walls around me turned  
wet  
This is fun  
Alone in number 14, a trip with U is foreseen, baby  
I will come

CHORUS:

Take me on a trip, kiss me on the lips  
Love on a blue train, yeah  
Locomotive rock me, nothing's gonna stop me  
Love blue train

The sweetest smell on this train is creepin' into my  
brain  
I get high  
With every city we pass, I want U baby mo' bad  
My oh my  
Go 2 cities unknown, I want it all full-blown  
Take me there  
Never mind the porter, we can hide it on the floor, baby  
I don't care

CHORUS

All aboard!  
Love on a blue train (Yeah)  
Love on a blue train

Saw U sittin' lonely, thought I was the only, baby  
U were 2  
On my way 2 nowhere lookin' 4 nothin', baby  
I was blue

CHORUS

Let me take your ticket  
I'll show U where 2 stick it  
Love blue train  
Don't mind the porter  
We can hide it on the floor

Take me on a trip, kiss me on the lips  
Love on a blue train  
Locomotive rock me, nothing's gonna stop me  
(Come on and love me now)  
Love on a blue train  
All aboard!

Locomotive rock me (What?)  
Nothing's gonna stop me (What?)  
B-b-b-blue train (Say what?)  
Locomotive rock me (What?)  
Nothing's gonna stop me (Talk 2 me)  
B-b-b-blue train

Take me on a trip, kiss me on the lips  
Love on a blue train  
Locomotive rock me, nothing's gonna stop me  
Love on a blue train

Jerome upside your head  
Mazarati upside your head  
Jerome upside your head  
Mazarati upside your head (All aboard)  
(Speak it 2 me, baby)

Take me on a trip, kiss me on the lips  
Love on a blue train  
Locomotive rock me, nothing's gonna stop me  
Love on a blue train

Say it one more time  
(Let's jam)  
Train  
The E train (I'm on the E train)

Locomotive rock me  
Nothing's gonna stop me  
B-b-b-blue train

Uh, everybody get on the E train

Locomotive rock me (What?)  
Nothing's gonna stop me  
B-b-b-blue train

On the one
