We don't stop) {repeat sample in song }

Love sign {x2}

Love, love

CHORUS:

If U're sick of evil knocking on your door

Throw up the love sign once and 4 ever more

If U'd rather make love and have a little fun

Throw up the love sign everybody and not the gun

In a chariot of red and gold

The cool, fuzzy voice said, "Come save your soul"

Before the fear of rejection reared its head

He stood before the masses and calmly said

CHORUS

In the day of where and why we all belong

Don't nobody wanna hear a silly love song

And if they did then we would sing it on the news

While U're aiming your gun at me and I'm aiming back

at U

CHORUS

Now

Song now

Everybody sing the song now

If U only had one year left 2 live

What good is the time U spend if U got no love 2 give?

Let's all get up off the front and find a cause 2 back

Then we can teach the babies replications of the act, of  
the act

CHORUS {x2}

(Sick of evil knockin', yeah)

(Then ev..everybody, oh)

(We can have a little fun)

(Everybody, oh yeah)

(Oh yeah)  
(4 ever more)  
(Make a little love now)  
(We can make love instead of guns, oh)
