Love sign {fade in}
Love sign (Get up)
Love sign (Get up)

Pop, pop, pop go the pistol
Bang, bang, bang go the gun (Get up)

CHORUS:

If you're sick of evil knocking on your door
Throw up the love sign once and forever more (two
signs of the times)
If you'd rather make love and have a little fun
Throw up the love sign everybody and not the gun
(Time is passing, passing is time)

In a chariot of red and gold
The cool, fuzzy voice said "Come save your soul"
Before the fear of rejection reared its head
He stood before the masses and calmly said

CHORUS

In the day of where and why we all belong
Don't nobody wanna hear a silly love song
And if they did then we would sing it on the news
While you're aiming your gun at me and I'm aiming
back at you

CHORUS

Pop, pop, pop go the pistol
Bang, bang, bang go the gun (Get up)
Pop, pop, pop go the pistol
Bang, bang, bang go the gun (Get up)

If you only had one year left to live (Get up)
What good is the time you spend if you got no love to
give? (Get up)
Let's all get up off the front (get up off the front) and
find a cause to back (cause to back)
Then we could teach the babies replications of the act,

of the act

If you're sick of evil knocking on your door
(Sick of evil knockin', yeah)
Throw up the love sign once and forever more (two
signs of the times)
(Then ev..everybody love)
If you'd rather make love and have a little fun
(We can have a little fun)
Throw up the love sign everybody and not the gun
(Time is passing, passing is time)
(Everybody, oh yeah)

If you're sick of evil knocking on your door
(Oh yeah)
Throw up the love sign once and forever more (two
signs of the times)
If you'd rather make love and have a little fun
(Make a little love now)
Throw up the love sign everybody and not the gun
(We can make love instead of guns, oh) (Time is
passing, passing is time)

Pop, pop, pop go the pistol
Bang, bang, bang go the gun (x4)

Show us the love sign, we want the love sign (Get up)
Show us the love sign (Get up)
Show us the love sign (two signs of the times), we want
the love sign (Get up)
Show us (two signs of the times) the love sign (Get up)

Love sign
(Pop, pop, pop go the pistol)
(Bang, bang, bang go the gun)
We want the love sign
Love sign
(Pop, pop, pop go the pistol)
(Bang, bang, bang go the gun)
Love sign
(Pop, pop, pop go the pistol)
(Bang, bang, bang go the gun)
We want the love sign
Love sign
(Pop, pop, pop go the pistol)
(Bang, bang, bang go the gun) {repeat to fade}
