Man, I ain't got time for that girl  
Say what?  
Yeah, she always want to talk to somebody  
Believe me, I know her, yeah

I see you at another party  
Dancin' all over the place  
Lookin' for the perfect body  
To go with the perfect face

Bushy head mulatto breakdown  
And your lips got wet today  
(Lips got wet today)  
Same damn bird from London  
(Same damn cuckoo)  
Finally had the nerve to say  
(What'd she say? I'll tell ya see listen)

I used to have mad sex in the horny morning  
I used to have mad sex in the afternoon  
I used to have mad sex when me and this mulatto go  
down  
To dirty up another room

Do it till your tattoo's dizzy  
And the stud in your mouth turns gold  
Till the animal prints to flaunt so lovely  
Is full of little bloody holes

Bushy head mulatto breakdown  
And your lips got wet today  
The same damn bird from London  
Uh, finally had the nerve to say  
(What'd she say?)

I used to have mad sex in the horny morning  
I used to have mad sex in the afternoon  
I used to have mad sex when me and this mulatto go  
down  
To dirty up another room

Mad sex

Mad sex

Steppin' up on the others, tryin' to make a jealous  
brother  
Get you nothin', but another night of vibration  
One nation under your groove and still you can't break  
my cool

I see you at another party  
Once again the talk of the town  
Break another heart, you sorry, skench!  
One day you're gonna tumble down, down, down, down  
(Tumble down, down, down)

Bushy head mulatto breakup  
And you never really knew my name  
(What good is time?)  
What good is time if you take up  
(What good is time if you take up)  
Every day to complain?  
(Oh)

I used to have mad sex in the horny morning  
I used to have mad sex in the afternoon  
I used to have mad sex when me and this mulatto go  
down  
To dirty up another room

I used to have mad sex in the horny morning  
I used to have mad sex in the afternoon  
I used to have mad sex when me and this mulatto go  
down  
To dirty up another room

Dirty up another, dirty up another, dirty up another  
room  
(Mad sex)  
Oh, yeah, oh, yeah  
Oh, yeah, oh, yeah  
(Mad sex)

I used to have mad sex  
I used to have mad sex  
I used to have mad sex  
(Mad sex)

To dirty up another room  
(Dirty, dirty, dirty)  
Mad sex  
Mad sex  
Dirty, dirty

Mad sex  
Mad sex
