I have only had one lover
Since I was 12 years old
So I don't care how hot U get me
I wouldn't do him cold
But there's somethin' about U, baby
That's got me koo koo
Would U hold it against me
If I said I loved another?
Tu vuole la mia bocca {U want my lips}

CHORUS:

Tu vuole la mia bocca
I love another
Tu vuole la mia bocca
Don't want no other

Something's happenin', I just can't explain it
U're doin' somethin' 2 me
My body's shakin', baby, shake, shake, shakin', baby
Shakin' like a leaf on a tree
I could never be unfaithful
Baby, I could never be
Boy, I got a feelin' that I ain't used 2 feelin'
I gotta do somethin'
Tu vuole la mia bocca

CHORUS

(I love a drama) {repeat in BG)
I'll pretend I'm in a movie
A make believe dream world caprice de la drama {...
whimsical drama}
U can be a page in my diary
If U promise not 2 tell my mama

There's somethin' about U, baby
That's got me koo koo
I can't explain what's dancin' in my brain
We gotta do somethin'
Tu vuole la mia bocca

CHORUS

Sono caliente d' amore {I'm hot with love}
Il mio labio sono resbaloso {My lips are boiling hot}
Puoi toccare piano {U can touch softly}
Lo siento ma io voglio un altro {I'm sorry, but I love
another one}

I love another! (CHORUS {x3})
I don't want no other! {x2}

Tu vuole la mia bocca
I love another

I'm going koo koo

Sono caliente d' amore
Il mio labio sono resbaloso
Puoi toccare piano
Lo siento ma io voglio un altro

Mia bocca
