Mindbells

Uh oh, there they go lurkin' in my mind
Try 2 stop'em, I am lost in time
So lost, the best that I did is go huntin' 'em down
Everybody thinks I'm crazy, but I know that U're the
reason 4 the sound

CHORUS:

Mindbells every time U touch me
Mindbells every time U're near
When U sing with your body, baby
When U sing with your body, baby
Mindbells is all I hear, oh

Mindbells

Listen..

Every time U tell me I'm the one 4 U
And I just can't believe it's me U're talking 2
And my life and destiny, they scare me so
What am I gonna do, I can't let U go

CHORUS

Like the choir sings (la la la la la la)
These mindbells, they ring (ding dong)
I want U now
(Take me)

Oh, mi..mindbells
Mi..mi..mi..mindbells

Can it be these bells I hear ring 4 more than me?
Am I just another star, one of your fantasies?
No baby, baby, don't let it be
Can't U see this love is killing me?

Mindbells every time U touch me (Killing me, yeah)
Mindbells every time U're near (Come near)
When U sing with your body, baby

When U sing with your body, baby
Mindbells is all I hear, oh

CHORUS
