Now that I'm a woman
I'm always dreaming of romance
I'm always dreaming about the perfect man
Who'd take me in his arms and understand,
understand me

My name is Miss Understood
I'm just a girl who wants true love like anyone would
I'm Miss Understood
Isn't there a man who understands me?

He picked me up at midnight (Oh)
When all the town was fast asleep
We danced 4 the man in the moon above
Understanding's cheap when U fall in love, fall in love

Just call me Miss Understood
I'm just a girl who wants true love like anyone would
I'm Miss Understood
Isn't there a man who understands me?

I want a lover that can satisfy the hunger of my lonely
heart
Gotta have a lover with a PhD in undercover art

Now that I'm a woman
I'm always looking 4 romance (Romance)
I'm always looking 4 the perfect man
Who'd take me in his arms and understand,
understand me

Just call me Miss Understood
I'm just a girl who wants true love like anyone would
I'm Miss Understood
Isn't there a man who understands...

Miss Understood
I'm just a girl who wants true love like anyone would
I'm Miss Understood
Isn't there a man who understands...

Miss (Miss, Miss) Understood
I'm just a girl who wants true love like anyone would
I'm Miss Understood
