Could U be (Could U be)
The Most Beautiful Girl in the World (Could U be yeah
yeah)
It's plain 2 see (I can see)
U're the reason that God made a girl (Oh yes U are)

When the day turns into the last day of all time (All
time)
I can say, I hope that U are in these arms of mine (Stay
in these arms of mine)
When the night falls before that day I will cry (Cry
{Cry})
I will cry (Cry {Cry}) tears of joy cause after U all one
can do is die
{Die} All I wanna do {Die} is die)
Could U be

Could U be (Oh yes)
The Most Beautiful Girl in the World
Could U be (Could U be, could U be)
It's plain 2 see (Plain 2 see)
U're the reason that God made a girl
U're the reason, oh yes U are (Oh yes U are)

How can I go through days when I can't go through
hours
(I don't think that I could go through an hour)
I can try but when I do I see U and I'm devoured
[(When I see U baby, I just, I just, I just ...)] (Wait a
minute)

Who'd allow a face (A face) 2 be soft as a flower (Oh so
soft)
I can bow (Bow down) and feel proud in the light of this
power

Baby U got the power (Power, power, power)
Baby U got the power (Oh U got the power)

Could U be (Hey, hey, could U)
Could U be (Could U be now, yeah)
The Most Beautiful Girl in the World

Could U be (Could you be) could U be, could U be
(Could you be) could U be

It's plain 2 see (Hey)
U're the reason that God made a girl
Girl oh Girl, Girl oh Girl (Girl girl girl girl girl oh girl)

Stars could fall one by one from the sky
Baby all I know about is U and I
All wrapped up in each other's thighs
Baby baby let me feel the beauty inside
Come here woman

Could U be (Could U be)
The Most Beautiful Girl in the World (So beautiful,
beautiful)
It's plain 2 see (Plain 2 see)
U're the reason that God made a girl

Could U be (I wanna die)
The Most Beautiful Girl in the World
(Baby could U be The Most Beautiful Girl in the World)
It's plain 2 see (It's plain 2 see, baby)
U're the reason that God made a girl
All around the world, God made a girl

(If the stars) {Could U be}
Ever fell one by one from the sky (Ever fell one by one
from the sky)
{The Most Beautiful Girl in the World}

I know Mars {It's plain 2 see} could not be 2 far behind
(Know Mars could not be 2 far behind)
(It's plain 2 see, U're the reason that God made a girl)
Beautiful

Could U be (Be)
The Most Beautiful Girl in the World
Could U be
The Most Beautiful Girl in the World

U know that, so show that
Wait a Minute

Could U be
The most beautiful girl in the world

Before I break baby, I just wanna let U know
That whatever I do, whoever I'm with, wherever I go
U're the only one that moves me through summer rain
or winter snow

U're (Beautiful) the one that gives me courage
(Beautiful) 2 open up, any door
I'm floored every time U smile at me, every time and
oh
When I get your kisses (Beautiful, Beautiful)
all I'm doing is wishing for some more
I just wanna make money so I can give it all 2 U honey

(Beautiful, Beautiful) I'm thinking about buying a boat
So U and me can be swept away (On the deep blue sea
in August)
If I'm with U I don't care if I see another day in this life
or the next
U're the beginning, middle, and the end who put the X
in sex, U baby

Honey I never wanna see U cry
U're 2 bad for Hell 2 good 2 let heaven raise U and U're
mine

I gotta break for now but I'll be back
So U be good and keep it warm for me
Cause U're the reason that God made a girl
