Baby, when we go out, I got clout  
Cuz I'm your number one body rocker  
Fellas? (Yeah?) She'll make U scream, your insides  
shout  
But let me tell U what it's all about

CHORUS:

She's mine, all mine  
I'm her number one body rocker all of the time  
She's mine, all mine  
U better find a brand new bag cuz these is my drawers

Slap me!  
My drawers  
Baby, mmm

Baby, I'm so ashamed cuz I'm all aflame  
I mean U've got my body hot  
Fellas? (Yeah?) She's so fast, U'd never last  
U couldn't deal with the funk she's got

CHORUS

Oh baby, this is your number one  
Yes, I know U're young  
But we could have so much fun  
Jesse, if U could play guitar  
I'll warm up the car  
And me and this girl can see the sun rise

Hey, hey, hey, hey! Whose drawers? (Your drawers)  
{x2}

U're mine, all mine  
I'm your number one body rocker all of the time

Whose drawers? (Your drawers) {x4}  
(Whose drawers?) My drawers, huh  
Whose drawers? (Your drawers)

She's mine, all mine

I'm her number one body rocker all of the time

Whose drawers? (Your drawers)

She's mine (she's mine), all mine (all mine)

U better find a brand new bag cuz these is my drawers

Take it home

Hey, hey, hey, hey
