Mmmm  
Ooh  
Ahhh  
Ooh ahh

My summertime thang  
Make me feel alright  
I feel good every night, yeah  
Treat me like a lover would  
And it feel so good (Ooh)

My summertime thang (Summertime)  
Dancin' on the floor  
Don't stop, let's do some more (Ahhh)  
We could have a total ball  
I'm happy once and 4 all  
My summertime thang

Ooh ahho  
I think about U when I'm sleeping  
I think about U when I'm at the mall  
I think about the summer I first met U (Ooh)  
Most of all I think about the time U met me (Oww!)

My summertime thang (Never lets me down)  
Never lets met down  
Keeps working all year round (Round and round)  
This thang is my one desire (and round and round)  
(Ooh)  
It takes me higher  
I said it takes me higher, higher, higher

Ohhhh  
Summertime  
Ohhhh  
Ohhhh  
Summertime  
Said make me feel, make me feel, make me feel  
alright (Ooh)

Yo, what's up M.D.?

Meet me at the mall  
There's a cutie workin' there U will not believe  
10 minutes?  
Naw, 2  
Alright, cool  
Cool?  
Alright, cool  
I'll meet U there  
Cool

My summertime thang (Doo doo waa)  
Make me feel alright (Alright, alright)  
Uh, I feel good every night

Higher, higher, higher (Higher)

(Ooh) (Ooh) (Ooh)

No Jimmy Jam, I...  
Naw, no, that...  
Naw, I need some fire  
I got the fire  
Got 2 cook with gas

What about Teflon, man?  
What do ya, what do ya feel about that?  
No, it's got 2 be cast iron skillet  
Cast iron?  
2 be cast iron skillet  
Cast iron?  
(2 many cooks in the kitchen)  
What?  
(That don't know how 2 cook it right)  
Hold it  
We already did that, we already did that  
Wait a minute now  
Naw, I like that  
Naw man, we already did that baby  
Naw  
Find Jerome a girl or somethin' man  
Get him outta here  
Give Jerome my girl

Make it funky, da da da  
Make it funky, da da da (Ooh)  
Make it funky, da da da  
Make it, make, make it, make it, make, make, make,
