Honey, we been together
Honey, for too long
Honey, we got to make it better
Honey, 'fore we go wrong

Got to try a new position, yeah
Somethin' that'll make it all right
New position, yeah
Let's go fishin' in the river, the river of life

Honey, we can't last
(We can't last)
Without a shot o' new spunk
Honey, forget your past
(Forget your past)
You got to try my new funk

You got to try a new position, yeah
Somethin' that'll make it all right
Oh, a new position, yeah, yeah
Let's go fishin' in the river, the river of life
Oh yeah, oh yeah, oh yeah

Come on and let me do ya
Come on and let me do ya, do ya
Come on and let me do ya
I wanna, I wanna do ya, do ya

Honey, I can make you happy
(I can make you H A P P Y)
Ooh, I can make it real good
(So good)
Honey, I won't be your pappy
(P U S S Y)

But I'll do ya, I'll do ya, do ya, do ya, like a
Do ya, do ya like a good man should
I'll do ya, do ya like a good man should
Honey, I'll try a new position, ahh, ahh
