"No More Candy 4 U"

9 out of 10 mortals agree 2day; 2 much fame causes
spiritual decay

2 all the punx who believe life imitates music
No more candy 4 you we can't hang with you
2 all the punx who wanna b rock stars and do what they
do
There's no future 4 you that's the life of a fool
No more candy, no more candy 4 you we're 2 funky
and you can't handle r groove

2 all the freax in the magazines who never paid no
dues
No more candy 4 you u can't sing it's true
2 all the freax walking in2 walls somebody put a spell
on you
No more candy 4 you eye guess the devil got a brand
new fool

[Chorus]

2 all the haterz on the internet somebody's lookin' at
you
No more candy 4 you they got ur number now, fool
2 all the suckerz winning anything and thanking the
lord 4 what
They do
No more candy 4 you no more candy 4 you

Eye am 2 funky and you can't handle my groove.
