Now

Freaks on the floor

Freaks on the floor

One, two, one, two

(Freaks on the floor)

Light up another one, dude

(Freaks on the floor)

Now, one, two, three, four

Come on, come on, freaks on the floor

(Go, go, yeah, now, go, go, yeah)

Now, one, two, three, four

Come on, come on, freaks on the floor

(Go, go, yeah, now, go, go, yeah)

One, two, one, two, ninety-four

I'm on the set, freaks on the floor

Don't worry about my name, it's too long to remember

I could tell you now, but we'd be here 'til next

September

Three, it be like that, see?

This ain't about the trippers trippin' like they know they
be

This ain't about this, that, what, where, or how

This about the freaks doin' everything they wanna do,
now

Now, one, two, three, four

Come on, come on, freaks on the floor

(Go, go, yeah, now, go, go, yeah)

Now, one, two, three, four

Come on, come on, freaks on the floor

(Go, go, yeah, now, go, go, yeah)

What you wantin' to say?

Now, one, two, three, four

Come on, come on, freaks on the floor

(Go, go, yeah, now, go, go, yeah)

Now, one, two, three, four
Come on, come on, freaks on the floor
(Go, go, yeah, now, go, go, yeah)
What you wanna play?

Three, four, three, four, ninety-nine
She the new hero 'cuz she's so divine
Unaffected by the system, she'd rather die
Than write a rap for some big booty heifer gettin' by

On that booty, instead of doin' duty
Aspire to be higher, I admire so I fire
'Cuz it's flyer to be hungry than phat
Take it from this sista, y'all take it from that

It's flyer to be hungry than phat
The ride up front is better
When you've been in the back
That's a fact

This ain't about this y'all, it ain't about that
This ain't about the booty movin' pumpin' the max
This ain't about this, that, what, where, or how
This about the freaks doing everything they wanna do
now

Now, one, two, three, four
Come on, come on, freaks on the floor
(Go, go, yeah, now, go, go, yeah)

Now, one, two, three, four
Come on, come on, freaks on the floor
(Go, go, yeah, now, go, go, yeah)
What you wantin' to say?

Now, one, two, three, four
Come on, come on, freaks on the floor
(Go, go, yeah, now, go, go, yeah)

Now, one, two, three, four
Come on, come on, freaks on the floor
(Go, go, yeah, now, go, go, yeah)
What you wanna play?

Forty, forty-five, snake's alive
Say one thing, do another, it's time
We chill on that, nah, I don't need a gat
I'd rather see yourself checkin' ass up to bat for
another swing

Anybody can sing
There's more to genius than the word my sister
Anything I would bring
Or would you rather dine alone?

If you change your mind, you can reach me on your
video phone
It's a dime, as in dollars and that's my two bloody cents
This ain't about this, that, what, where, or how
This about the freaks doing everything they wanna do
now

Now, one, two, three, four
Come on, come on, freaks on the floor
(Go, go, yeah, now, go, go, yeah)

Now, one, two, three, four
Come on, come on, freaks on the floor
(Go, go, yeah, now, go, go, yeah)
What you wantin' to say?

Now, one, two, three, four
Come on, come on, freaks on the floor
(Go, go, yeah, now, go, go, yeah)

Now, one, two, three, four
Come on, come on, freaks on the floor
(Go, go, yeah, now, go, go, yeah)
What you wanna play? Band
(Now)

Sixty-seven, sixty-seven
Freaks dance like they in heaven
DJ don't stop the music, DJ don't stop the music

Fill us with de dope track, lick us, twist us
Roll us in your mouth
Light us up and take a hit
Light us up and take a hit

Suck us 'til we're dry
And when we're lookin' like a roach, hit the lights
Before you say goodnight though
Let's make a toast, yo

This ain't about this, that, what, where, or how
This about the freaks doing everything they wanna do
now

Now, one, two, three, four
Come on, come on, freaks on the floor

(Go, go, yeah, now, go, go, yeah)

Now, one, two, three, four
Come on, come on, freaks on the floor
(Go, go, yeah, now, go, go, yeah)

Freaks on the floor, now
Freaks on the floor, now
Freaks on the floor, now
