The sun set in the west this mornin'  
4 I know, I know L.A. is callin'  
Bad news, Steve said, and people are talkin'  
They say your kingdom is fallin', yeah  
They say U lost your fire  
When another musician U hired  
Little do they know, U wouldn't have passed go  
Unless they could take U higher, yeah

The sun set in my heart this afternoon  
4 2 friends of mine got stuck in the snow  
In Uptown when winter's alarmin', oh  
Cocaine becomes charmin'  
But U talk about things U don't know 'bout  
I know, no matter how pleasant your past was  
Green and white return 2 blue  
U're happy as long as your last buzz  
And then U think U want something new, yeah

The sun, the sun set in my mind this evening  
4 someone who said they would die 4 me  
Sold some, they sold some more pictures and all my  
little memories  
Chump change is 2 unravel the mystery, ah ha  
But life is no fun, life ain't no fun without fantasy  
Some things are better left unsaid  
And some people are better left untrusted  
Maybe, maybe, maybe it'll all make sense when I'm  
dead  
When I'm dead

Old friends 4 sale  
Get'em while the gettin' is hot  
Watch out, they'll kiss U until they get what U got  
And they'll show U the friends that they're not  
Old friends 4 sale
