Come on baby.. ooh, ooh, ooh
Don't make me sleep on the couch
No.. No.. No..
Love jones is on the TV again, baby
Ooh, I wanna go down south - yeah

Come on baby
Come on baby
Its so undignified to sleep alone
O yes it is
That's what all the people ain't got nobody do
U know they do
Talkin' (talkin') on the telephone

Don't make me crash
Don't U do it baby
(Don't U do it, uh-uh)
Don't make me sleep without ur kiss
O darlin' without ur kiss (Don't U make me do it)

Tossin' and a-turnin'
Every inch of me yearnin'
Don't u make me
Don't u make me
Don't u make me
Don't u make me
Don't u make me
Don't u make me
Don't u make me
Don't u make me
Suffer for this
I know, I know, I know, I know that
We agreed to be married (U know I know)
Shouldn'ta let me unzip ur dress
Y'd U do it, baby (Y'd u do it) o yeah
confess u tease
unless u please me
Don't make me sleep on the couch
