Oh, there he is  
Ooh, he looks better every time I see him  
Look - those eyes, those lips  
I know he wants me, I know he does

I see him walkin', his body talkin'  
He's got a real cool style  
Something that he got, it get me so hot  
His body drive me wild

I know it's gonna be tough  
Things I'm gonna have 2 give up  
Yeah, I know he thinks he's sweet  
But he can't resist my beat

{Distant Spanish vocals}

I know he sees me, why does he tease me?  
Why does he play this game? Ha!  
He knows I love him, always thinking of him  
I guess pretty men have no shame

Sometimes I wanna beat U up  
Is that what U want me 2 do? (Sing)

One day, one day, one day  
I wanna make U mine  
One day, one day, one day  
I wanna make U mine

I've got a potion that gives emotion  
I'm gonna turn U on (Hot)  
U will adore me, none will come before me  
Then it won't be long

U're gonna kiss me, U're gonna kiss me  
Like U never kissed before  
Ooh, that night U want me, I'll be happy (And I'll be  
happy)  
Cuz on that night I'll have what I've been waiting 4

CHORUS:

One day, one day, one day  
Gonna make U mine  
One day, one day, one day  
I'm gonna make U mine

Oh wow, there he is again  
What am I gonna do? (Gonna make U mine)  
Ooh, I do declare  
I think I'm gonna go mad  
I want that body so bad, so bad (Gonna make U mine)

CHORUS

One day (Hear me out)  
I'm gonna make U mine (Hear me out)  
{Distant Spanish vocals in BG}  
One day, one day  
I'm gonna make U mine

Hear me out (CHORUS)  
One day, one day  
I'm gonna make U mine  
Oh, oh  
One day, I'm gonna sock it 2 U

Someday I'm gonna sock it 2 U (CHORUS {x2})  
U, ooh  
Gonna make U mine  
Gonna make U, gonna make U, gonna make U mine  
Gonna make U mine, mine, mine... yeah!  
Oh yeah, oh yeah  
Gonna make U mine

Mine, mine, mine, mine  
One day
