One day I'm gonna be somebody  
One day I'm gonna be rich  
I'm gonna say my prayers and work real hard  
So that I never have 2 dig a ditch  
The only way I'd work at a carwash  
Is if I owned the whole damn place  
But if gettin' 2 the top means washin' a car  
I'd be scrubbin' with a smile on my face

CHORUS:

One day I'm gonna be somebody, gonna stand out in a crowd  
One day I'm gonna be somebody, gonna make somebody proud  
One day I'm gonna be somebody, gonna stand out in a crowd  
One day I'm gonna be somebody, gonna make somebody proud

One day I'm gonna be a star  
I'm gonna do whatever it takes  
Why should I starve when I could be elsewhere  
Makin' what the rich man makes  
If I should die before I'm rich  
I pray the Lord my soul 2 keep  
But if I'm rich before I die  
I wanna work cuz nothin' comes cheap

CHORUS

Somebody bring me a mirror so I can look at my cash  
(One day I'm gonna be somebody)  
Somebody bring me a mirror so I can look at my cash  
(One day I'm gonna be somebody)

We don't like new wave! {sarcastic laughter}
