Ooh, here I go again  
Falling in love all over  
Ooh, the cycle never ends  
U just pray u don't get burned

Ooh, this fire inside of me  
Don't nobody realize  
Ooh, what u r 2 me  
But baby u got 2 learn

Im making u a coat of pink cashmere  
U got 2 know how I feel about u  
How I always want u near

Im making u a coat of pink cashmere  
Im counting every minute of every hour  
Til u r here

Girl, can u understand  
I never used 2 go dancing  
I...i was the kind of man who rather stay at home

Now, when I think about  
H-how much I miss u  
I wanna jump for joy  
And thank him Im not alone (I am not alone)

Ooh, Im making u a coat of pink cashmere  
U got 2 know how I feel about u baby  
How I always want u near

Im making u a coat of pink cashmere  
Im gonna count every minute of every hour  
Until u r here (til u r here)

Here I go again  
Falling in love all over  
The cycle never ends (cycle never endin)  
U pray u don't get burnt

Im making u a coat (Im making u a coat of pink  
cashmere)

Cashmere, baby, cashmere (u got 2 know how I feel about u)  
U got 2 know (how I always want u near)  
Yeah baby, baby, baby, baby (Im making u a coat of pink cashmere)

How I feel about u  
How I feel about u

(Im counting every minute of every hour, til u r here)

When I get my arms around u baby (yeah)  
So many things Im gonna do (pink cashmere)

Im gonna hug u (u got 2 know how I feel about u)  
Im gonna kiss u (how I always want u near)  
Like your, like your guru (Im making u a coat of pink cashmere)

I wanna tell u a bedtime story baby  
1 u never heard before (Im counting every minute of every hour - every hour)  
I said 1 u never heard before (how I feel about u)

About a girl (coat of pink cashmere)  
About a boy  
And all their joy  
All the things they show each other (coat of pink cashmere)

How 2 stay in love  
How 2 stay so happy  
Baby girl (coat of pink cashmere)  
So many things  
So many things  
Im gonna do

Cant u come 2 me? (coat of pink cashmere)  
Cant u get 2 me?  
Im gonna make gonna Im gonna gonna gonna onna  
Im gonna make a little pretty pink coat of cashmere

Cuz uve got 2 know  
How I feel about u babe  
How I feel about u babe  
Im gonna make a little pretty coat  
Im gonna count every second, every minute  
Each and every hour of every day

Til u come on back  
Come on back

2 your little man

Gonna make u a coat of cashmere baby
