Ooh doggies

We wanna play in the sunshine
We wanna be free
Without the help of a Margarita or Exstasy
We wanna kick like we used to
Sign up on the dotted line
We gonna dance every dance
Like it's gonna be the last time

We got to play in the sunshine
Turn all the lights up to 10
I want to meet you, kiss you
Love you and miss you
Do it all over again, do it all over again

We gonna play in the sunshine
We're gonna get over
I'm feelin' kind of lucky tonight
I'm gonna find my 4 leaf clover
Before my life is done
Some way, some how, I'm gonna have fun

Play in the sunshine
We gonna love all our enemies
Till the gorilla falls off the wall
We're gonna rock him, we're gonna roll him
We're gonna teach him that love will make him tall

Aah, pop goes the music
When the big white rabbit begin to talk
And the color green will make your best friends leave
ya
It will make them do the walk, that's cool
'Cause one day, everyday will be a yellow day and let's
play

We gonna play in the sunshine
We're gonna get over
I'm feelin' kind of lucky tonight
I'm gonna find my 4 leaf clover
Before my life is done

Some way, some how, I'm gonna have fun

Play

Play

Play

We gonna play in the sunshine

We're gonna get over

I'm feelin' kind of lucky tonight

I'm gonna find my 4 leaf clover

Before my life is done

Some way, some how, I'm gonna have fun

We gonna play in the sunshine

We're gonna get over

I'm feelin' kind of lucky tonight

I'm gonna find my 4 leaf clover

Before my life is done

Some way, some how, I'm gonna have fun

Play, no

Play, no

Play, no

Drummer, do your thang

Drummer, drummer, do your thang

Drummer, drummer, drummer

Can I get some of that?

Let's get out of here, yeah

Play, laugh in the sunshine

Play, laugh in the sunshine

Play, laugh in the sunshine

Play, laugh in the sunshine
