Don't hate me, cuz I'm beautiful

Hey now - what's up?  
Ah, you know 2 come over here  
Staring at a brother so hard  
Say U what?

If U wanna be my baby  
Got 2 tell me so  
Overconfident lady  
Better act like U know  
If U wanna be my baby  
Come on, take my hand  
Tell me that U wanna get with...  
A prettyman

See me up here dancing ...  
Dancing on the blow  
Got 2 do about doing  
Just a little more  
Where I wear my knickers  
Round this booty tight  
Make a sucker gonna call me up  
Every night  
Hey

If U wanna be my baby  
Got 2 tell me so  
Overconfident lady  
Better act like U know  
If U wanna be my baby  
Come on, take my hand  
Tell me that U wanna get with...

People stop and stare  
They just wanna see me swing  
This pretty hair  
What ever comfort up  
Just want grow  
Like my brother
