My little secret, my private joy
I could never let another play with my toy
My little angel from heaven above
Oh oh oh oh oh I think I'm falling in love
And I ain't gonna tell nobody nobody 'bout my little
pretty toy
All the other kids would love to love u but u're my little
private joy
My private joy -- u're my private joy
Private joy -- such a pretty toy
Joy, u are my private joy

U're my little lover, orgasmatron
Only I know, only I know, baby, what turns u on
U're my little secret neon light
Girl I wanna turn it on turn it on turn it on every night

Ain't gonna tell nobody nobody 'bout my little pretty toy
All the other kids would love to love u but u're my little
private joy
My private joy -- u're my private joy
Private joy -- such a pretty toy

Joy -- oh my private joy

Shoot me up baby, let's take a trip
I can't get enough can't get enough of your private
private joy joy
Joy -- such a such a pretty toy
Joy -- u are my private joy
Joy -- shoot me up baby, let's take a trip
Joy -- can't get enough of your private
Joy -- come on honey baby get up, get up

I strangled valentino (he strangled valentino)
Been mine ever since (been his ever since)
If anybody asks u (if anybody asks u)
U belong to prince (u belong to prince)
Come on baby, get up, get up, get up, get up
