Red Riding Hood [Controversy Music]

----- [aka: Can I Play With You]

Prince, Prince

Yeah. (No)

Saw you standin' over by the wall
Lookin' like you have no fun at all
If you want me and you have the ball
Just give me your number and I'll give you a call

Hey, baby can I talk to you?
Can I walk with you?
Can I stay with you,
Can I play with you tonight?

No. Lord. I wanna play with you.
Can I play with you?
I noticed you were not having fun
Maybe it's because you ain't talkin' to anyone
Just give me a sign pretty mama, and I'm your number
1.
You and I [break into my house] and take off
everything

Hey, baby can I talk to you?
Can I walk with you.
Can I stay with you,
Can I play with you tonight?

No. Can I play with you?
Pretty mama. No. No.

I can tell you never really understood
The difference between bad and good
I can turn you out girl. You know I could.

Let me talk. Let me talk. Let me talk.
Can I talk to you?
Can I play with you?
Lemme talk lemme talk lemme talk to you, mama
