Ooh, before we get started, are we all alone?
'Cause I'm about to get open-hearted
It's time to send your company home, turn off your cell
phone
Baby, can't you see, I just want to get you satisfied?
(Satisfied)

This is gonna be a long night
(Long)
A little bit longer afternoon
(Afternoon)
Girl, if we get this thing right

Ooh, you gonna get satisfied real soon
Baby, can't you see
(Can't you see I'm just tryin'?)
That I wanna get you satisfied, oh, yeah?
(Satisfied)

I ain't talking about nothing physical
'Cause before play starts in the mind
(In the mind)
I'm just trying to get you to think about doing things
That you've always wanted but could never find

I'm gonna seek this thing like a buried treasure
(Seek and destroy)
Like Columbus sailing over the sea
Until I discover, baby, the land beyond expertise and
chastity
Babe, I'm just trying to get you satisfied
(Satisfied)

I'm sure you had another lover
(Another lover)
Let me tell you, baby, all tricks asid
I can get you out of your body
Have you ever felt like you were dyin' and felt
satisfied?
