Schoolyard)

I was only 16 and her name was Carrie

She was the number one little girl I wanted 2 marry me

She was only 14, but she had the major body

Yeah, this girl was mean

Me and Ace picked Carrie up from school one day

We took her 4 a ride in Ace's car, the music started 2 play

We sat real close, both nervous

Lookin' at each other not knowin' what 2 say

Carrie was a sister

But her eyes kinda made her look Japanese

Her short cut afro, shiny and soft

Her clothes fit 2 please

Ace was a real fast driver

With every turn, Carrie fell in my lap

He asked us where we wanted 2 go

I said "Yeah right, like U need a map!"

The schoolyard, the schoolyard

Gettin' it on in the schoolyard

With a wink and a nod we were off 2 Ace's pod

Like peas who's hangin' 4 a knife

The schoolyard, the schoolyard

Gettin' it on in the schoolyard

We never want it 4 the children of our own

We all pray better seeds we have sown

But one story that is most commonly known

Is gettin' it on in the schoolyard

(Schoolyard)

Ace's girl showed up, that's when the party started  
jumpin'

Tower Of Power's "Squib Cakes" steady humpin'

I said "Carrie, hmm, do U wanna dance?"

She said "Uh hmm, yeah, like later man, first let me  
smoke this weed"

I said "Damn, my cologne ain't sayin' shit if this is what  
she needs"

Yeah, before I knew it, Carrie was seein' double

That's when me and her got into trouble

So much 4 the dance

I started takin' off Carrie's pants

The schoolyard, the schoolyard

Gettin' it on in the schoolyard

(Hey hey.. hey!)

And now boys and girls 4 the graphic part

Close your ears if U ain't got a nasty heart

The schoolyard, the schoolyard

Here we go

Now take a glove, fill it with hot baby lotion and slip it  
on (Well)

Pull it tight, that's what Carrie was like

One stroke and I was gone

Gone I was, it's true

The schoolyard, the schoolyard

When your schoolyard baby comes home

And it's all that's on their mind

Try 2 remember how U felt your very first time.. oh!

The schoolyard, the schoolyard

Gettin' it on in the schoolyard (Gettin' it on)

We never want it 4 the children of our own

We all pray better seeds we have sown

But one story that is most commonly known

Is gettin' it on in the schoolyard (Gettin' it on, oh)

(Well, gettin' it on.. heh, heh)

The schoolyard (Schoolyard), the schoolyard  
(Schoolyard)

Gettin' it on in the schoolyard (Boy, U're gettin', yeah)

The schoolyard, the schoolyard (Schoolyard)

Gettin' it on in the schoolyard (Gettin' it on, get.. get..  
gettin' it on, yeah)

(Hey
