Hey yo, Kirk  
U know, I'm thinkin' why don't we put this shit out  
ourselves  
Hey girlfriend, how U doin'?  
Listen, I got 2 tickets 2 the N.P.G. concert, wanna go?  
Fuck the record company!  
There's 2 many ways 4 them 2 stiff us  
Besides, they'd have 2 be talkin crazy bank before  
we'd sign with 'em  
Think about it  
Yeah girl, all them brothers got money  
It's at the Glam Slam  
Yeah, pick U up at 8  
Say what? Cut some live tracks?  
Yeah, we could do that  
Oh, by the way, can I borrow that red dress of yours  
Studio live, the double-decker vibe  
I'm in the proper mood 2night  
Huh, yeah, I'm with it  
Whatever U do, don't wear that nasty-ass Eternity or  
we're dead  
So check it out, have the crew set up at the Slam 2night  
And I'll get the truck  
Alright girl, see U later  
And matter of fact, see if Johnny can come down  
Cuz we gonna rip it up 2night  
It's go'n be so funky, boy, they go'n have 2 call the law
