Mmm, ahh, ahh

Mmmm

Ahh, please honey, let's just stop 4 a minute

(Damage 2 the base is said 2 be heavy)

Uh, I just can't deal

Ah, oh baby, what's the matter?

(And the Israeli jets are reported 2 have made it back 2  
the Israeli border safely)

Hmm, I guess I, I just got a lot on my mind

Damn, why don't U just turn the TV off!?

(A 49-year-old unidentified man went berzerk last  
night)

Old NBA no ballin' ass mo'fo'

(Opening fire with a 12-gauge shotgun in a crowded  
downtown restaurant)

Turn the TV off!

Uh, nevermind, I'll turn it off my muthafuckin' self!

(14 people are dead including 3 children, 4 others  
suffered serious injuries)

{Sonny T. shoots TV}

I don't know

Don't worry, it'll be alright
