I need U 2 get me off
I'm your bomb, baby, ready 2 explode
I need U 2 get me off
Be your slave, do anything I'm told

CHORUS:

I'm a sex shooter
I'm shootin' love in your direction
I'm a sex shooter
Come and play with my affection
Come on, kiss the gun

I need U 2 pull my trigger, baby
I can't do it alone
I need U 2 be my main thing
Plaything, pillar of stone

CHORUS

Come on, kiss the gun
Guaranteed 4 fun

Sex shooter
I'm shootin' love in your direction
I'm a sex shooter
Come and play with my affection

Listen..

No girl's body can compete with mine
No girl's rap can top my lines
No girl's kiss can ring your chimes
Come on boy, let's make some time

I'm a sex shooter
Shootin' love in your direction
Oh yeah, oh I'm a sex shooter
Come and play with my affection
Come on, kiss the gun

Come on, kiss the gun, guaranteed 4 fun {x4}
Sex shooter {x4}

Blow me away

Come on, kiss the gun

No girl's body can compete with mine
No girl's rap can top my lines
No girl's kiss can ring your chimes
Come on boy, let's make some time

Come on, kiss the gun

Sex shooter
Shootin' love in your direction
I'm a sex shooter
Come and play with my affection

All the nasty people sing it
Sex shooter
Shootin' love in your direction
I can't hear U
Sex shooter
Come and play with my affection

All the nasty people sing it!
Sex shooter
Shootin' love in your direction
Everybody (Yeah)
Sex shooter
Come and play with my affection
