Ow! {x5}

Stand up, everybody, this is your life  
Let me take U 2 another world, let me take U 2night  
U don't need no money, U don't need no clothes  
The second coming, anything goes

Sexuality is all U'll ever need  
Sexuality - let your body be free

Ow!  
Oh baby

Come on, everybody, yeah, this is your life  
I'm talkin' 'bout a revolution we gotta organize  
We don't need no segregation, we don't need no race  
New age revelation, I think we got a case

I'm OK as long as U are here with me  
Sexuality is all we ever need

Oh baby!

(The reproduction of the new breed - Leaders, stand  
up, organize)  
{repeat phrase in BG}  
Everybody  
One time, say...

We live in a world overrun by tourists  
Tourists - 89 flowers on their back  
Inventors of the Accu-Jack  
They look at life through a pocket camera  
What? No flash again?  
They're all a bunch of double drags  
Who teach their kids that love is bad  
Half of the staff of their brain is on vacation  
Mama, are U listening?  
We need a new breed - Leaders, stand up, organize ...  
yeah!  
Don't let your children watch television until they know  
how 2 read

Or else all they'll know how 2 do is cuss, fight and  
breed  
No child is bad from the beginning  
They only imitate their atmosphere  
If they're in the company of tourists, alcohol and U.S.  
history  
What's 2 be expected is 3 minus 3, oh  
Absolutely nothing

Stand up, organize  
(The reproduction of the new breed - Leaders, stand  
up, organize)  
We need the new breed - Leaders, stand up, organize  
I wanna be in the new breed - stand up, organize  
Sexuality is all I'll ever need  
Sexuality - I'm gonna let my body be free  
Sexuality is all I'll ever need  
Sexuality - I'm gonna let my body be free  
Sexuality {repeat 2 fade}
